

## Environmental Health & Safety Offer Details

**Dates:** The Archibus Environmental Health & Safety application will be available through September 30, 2021, regardless of start date. Customers wishing to continue use of the Environmental Health & Safety application after September 30, 2021 may add it to their maintenance subscription.

**Eligible Participants:** This offer is available to all existing Archibus Customers with an active software subscription contract.

**Versions:** This offer is available on any version of Archibus Web Central where the Environmental Health & Safety application is available.

**Support:** The application is subject to the same support as other Web Central applications.
